

## **Web Site Privacy Policy**

---

This privacy statement discloses the privacy practices that have been adopted by www.surecode.com.

### **Information Collection and Use**

SureCode Technologies is the sole owner of the information collected on this site. We will not sell, share, or rent this information to others in ways different from what is disclosed in this statement.

### **Notification Registration**

Visitors to our site have the option of signing up to receive notification of new features, events, or other information about SureCode Technologies. This information is used to contact the user about the services and products on our site for which they have expressed interest.

### **Web Databases**

Web Databases created by our users contain data proprietary to our users. This data remains completely confidential and is accessible only by those to whom our users give access by setting specific permissions during Web Database creation or maintenance.

### **Cookies**

A cookie is a piece of data stored on the user's hard drive containing information about the user. Although we may use cookies, their usage is in no way linked to any personally identifiable information that our users may supply to us while visiting our site.

### **Log Files**

We use IP addresses to analyze trends, administer the site, track user movement, and gather broad demographic information for aggregate use. IP addresses are not linked to personally identifiable information.

### **Sharing**

We may share aggregated demographic information with our partners and advertisers. This information is structured so that it is impossible to use it to identify any individual person.

### **Links**

This web site may contains links to other sites. Please be aware that we are not responsible for the privacy practices of such other sites. We encourage our users to be aware when they leave our site and to read the privacy statements of each and every web site that collects personally identifiable information. This privacy statement applies solely to information collected by this Web site.

## **Site and Service Updates**

We periodically send Web Database owners site and service announcement updates. Recipients are not able to unsubscribe from service announcements, which contain important information about our services and products that they need to continue using them. We communicate with users to provide requested services and in regards to issues relating to their accounts. Contacts by us may be via email, regular mail, or telephone.

## **Notification of Changes**

If we decide to update our privacy policy, we will post all changes on our Privacy Policy page so our users are always aware of what information we collect, how we use it, and under what circumstances, if any, we disclose it.

## **Provision or Correction of Personal Information**

To receive a list of all personally identifiable information SureCode Technologies, Inc., has collected about you, please send a request via email to [support@surecode.com](mailto:support@surecode.com) with the subject "Personal Information Request." If you would like to change any personally identifiable information about you or your organization, send a request via email to [support@surecode.com](mailto:support@surecode.com) with the subject "Personal Information Update."

## **Questions**

If you have questions about our privacy policy and use of your data, please email us at [webmaster@surecode.com](mailto:webmaster@surecode.com) or call us at 703.502.4500, ext 112. We'll be glad to answer your questions.
